

Oral Health Coverage for Underserved Populations

Compiled by Patricia Reichert, May 2013

www.legis.wisconsin.gov/lrb/pubs/tapthepower.htm

In 2000, the United States Surgeon General issued a report on oral health which highlighted disparities between racial and social economic groups regarding oral health, especially among children. This bibliography addresses the progress made since 2000, disparities that remain, efforts to close the gaps, and public policy.

- Behrens, Donna, and Julia Graham Lear. "Strengthening Children's Oral Health: Views from the Field." *Health Affairs* 30, no. 11 (November 2011): 2208-2213. (614.23/P94/2011/v.30/no.11)
"The authors interviewed experts involved in efforts to improve the oral health status of low-income and minority children during the past decade. Key informants believe that success requires addressing both consumer demand and provider supply factors." —from abstract
- Bozier, R. Gary, et al. "How a North Carolina Program Boosted Preventive Oral Health Services for Low-Income Children." *Health Affairs* 29, no. 12 (December 2010): 2278-2285. (614.23/P94/2010/v.29/no.12)
- Children's Health Alliance of Wisconsin. *2012 Partnering to Seal-A-Smile: A Report on the Success of Wisconsin School-Based Dental Sealant Programs*. Milwaukee, WI: Children's Health Alliance of Wisconsin, 2012. (373.12/C43) www.chawisconsin.org/documents/PartneringSealASmile2012.pdf. Includes a county-by-county breakdown of the sealant program.
- Committee on Oral Health Access to Services, Institute of Medicine, and National Research Council. *Improving Access to Oral Health Care for Vulnerable and Underserved Populations*. Washington, DC: The National Academies Press, 2011. www.hrsa.gov/publichealth/clinical/oralhealth/improvingaccess.pdf. (614.235/C73)
- Fisher-Owens, Susan A., et al. "Giving Policy Some Teeth: Routes to Reducing Disparities in Oral Health." *Health Affairs* 27, no. 2 (March 2008): 404-412. (614.23/P94/2008/v.27/no.2)
Examples of oral health disparities across the life span.
- Fox, Jane E., et al. "Increasing Access to Oral Health Care for People Living with HIV/AIDS in the U.S.: Baseline Evaluation Results of the Innovations in Oral Health Care Initiative." *Public Health Reports* 127, Issue Supp 2 (2012): 5-16. Available full text through www.badgerlink.net.
